

Employee Benefits Summary

We are pleased to offer our full-time employees a comprehensive benefits package. Below is a summary of our current benefits and company offerings. Eligibility for benefits begins immediately upon date of hire, unless otherwise noted. Some benefits are available to part-time or seasonal employees, based on eligibility, and are pro-rated as appropriate.

Benefit offerings are reviewed regularly in an effort to harmonize all practices and programs. Modifications and/or changes to company benefits can occur at any time and will be promptly communicated to employees.

Health and Welfare Benefits

Benefits begin the first day of the month following employment.
Detailed information is available in Plan Description.

Full-time employees are eligible for 100% NHC-paid premiums, with different plan options available. Employees may add dependent coverage, with the company paying a portion of the premium and the balance being at the employee's expense, paid through payroll deduction.
